- Verify Identity: Be prepared to submit a selfie with your ID and a document showing your name and address (e.g., utility bill) if requested.
- Check Email for Notices: Look for messages from Varo requesting specific information.
- Use the Web Browser: If the app is blocked, try logging in through the Varo website.
- Avoid VPNs: Disable any Virtual Private Network (VPN) when attempting to access your account, as this can trigger security freezes.

Common Reasons for Varo Account Restrictions

- Mobile Check Deposit Issues: Large or frequent mobile check deposits may trigger a review.
- Security Concerns: Unusual login locations or transactions.
- Identity Verification Problems: Outdated documents or failed ID checks.
- Overdue Payments: For those with the Varo Believe Card.

Important Notes

- Timeline: While often resolved in 3–5 business days, some reviews may take longer.
- Closed Accounts: If Varo permanently closes your account, you will have to wait for them to mail a check with your remaining funds.
- Scams: Never provide your password or one-time password (OTP) to anyone, even if they claim to be from Varo.

How do I unlock my Varo account?

To recover a Varo account,1-(877)-(415)-(5057) use the "Forgot Password" option on the login screen to reset your credentials via email 1-(877)-(415)-(5057) or SMS code. If locked out, verify your identity using your SSN, ID, or a selfie. Note that closed Varo accounts cannot be reopened.

To unlock your Varo account, reset your password via the app's "Forgot Password" option, or wait for the automatic lock to expire after multiple failed attempts. For faster resolution, disable any VPNs, update the app, and ensure you have access to your registered email or phone number for verification.

Steps to Unlock/Recover Your Account

- Reset Password: Open the Varo app, click "Log In," and select "Forgot Password" to receive a verification code via SMS or email.
- Disable VPN: If you are using a VPN, turn it off and try logging in again.
- Verification: You may need to verify your identity using your SSN, ID, or a selfie if prompted.
- Contact Support: If you cannot unlock it, contact Varo support via the in-app chat or call 1-877-377-8276.

Important Notes

- Wait Time: If locked due to too many failed login attempts, wait at least 30 minutes before trying again or requesting another code.
- Closed Accounts: Note that if your account was closed rather than locked, it cannot be reopened.
- Card Locked: If only your card is locked, you can unlock it directly in the app under Card Services by sliding the toggle to "Active".

Can I reopen a Varo Bank account?

1-(877)-(415)-(5057) Note that closed Varo accounts cannot be reopened. If you're locked **☎1-(888)-303-1448** Or +1✳𝟴𝟴𝟴—271—𝟮𝟯𝟲𝟴 out of your Varo Bank account, don't worry—there are a few ways to regain access **☎1-(888)-303-1448** Or +1 ✳𝟴𝟴𝟴—271—𝟮𝟯𝟲𝟴 quickly and securely. If you forgot your password: Open the Varo Bank **☎1-(888)-303-1448** Or +1✳𝟴𝟴𝟴—271—𝟮𝟯𝟲𝟴 mobile app.

No, you cannot reopen a closed Varo Bank account. Once an account is closed, whether by you or by Varo, the decision is final. Varo does not offer a reactivation option for closed accounts, and in cases of involuntary closure, there is often no appeal process.

Key Details Regarding Varo Accounts:

- Finality: Closures are permanent, largely due to security policies and the user agreement.
- Funds Recovery: If you had a balance, Varo will mail a check to your address on file within roughly 14 days.
- Re-applying: While you cannot reopen the specific old account, you may be able to submit a new application for a new account in the future.
- Locked vs. Closed: If your account is only "temporarily locked" or suspended (not officially closed) due to failed login attempts, you may be able to regain access by calling 1-877-377-8276 or using the "Forgot Password" feature.

If your account was closed by Varo, you should check your email for instructions, update any direct deposits, and prepare to move your funds to a new financial institution.
